Feast of St. Justin, Martyr

June 1st is the feast of St. Justin, Martyr, a staunch defender of the faith. We pray that like our patron, St. Justin, will help our students to defend and value the gift of their faith for the rest of their lives.

While the routines of school will soon give way to summer fun, let us remember that God never takes a vacation

from loving us. If we remain constant in practicing our faith through weekly Mass attendance and daily prayer, we will be better equipped to ride the storms of life. The church gives us multiple feast days this month to remember that, in the words of St. John Bosco,

“God has only one way of looking at us - with love!”
